Fusion Financials Lead / Fusion Financials Consultant

Description

We are seeking an experienced **Fusion Financials Lead** / **Fusion Financials Consultant** to join our dynamic team. The ideal candidate should have 10+ years of experience in Oracle Fusion and Oracle Applications R12 implementations, with a minimum of 6 years of hands-on experience in Fusion Financials.

Responsibilities

- Lead and implement Oracle Fusion Financials modules, including General Ledger (GL), Accounts Payable (AP), Accounts Receivable (AR), Fixed Assets (FA), and Cash Management.
- Conduct end-to-end implementations of Oracle Fusion Financials, managing all aspects of financial processes for large-scale enterprise clients.
- Work closely with cross-functional teams to ensure seamless integration with other Oracle Fusion modules and Oracle Applications.
- Provide expertise in configuring and optimizing Fusion Financials to meet client-specific business requirements.
- Conduct fit-gap analysis and solution design based on business needs.
- Facilitate workshops and sessions to gather requirements and demonstrate Oracle Fusion Financial solutions.
- Troubleshoot and resolve issues during the implementation and post-go-live support phases.
- Act as the primary point of contact for Fusion Financials-related queries and offer ongoing training and support for end users.

Skills

- Minimum of 10+ years of Oracle Fusion and Oracle Applications R12 implementation experience.
- At least 6 years of hands-on experience with **Fusion Financials**.
- Strong working knowledge of **Fusion GL, AP, AR, FA, and Cash Management** modules.
- Experience in at least 2-3 **end-to-end implementations** involving the above-mentioned modules.
- Demonstrated expertise in managing the complete lifecycle of Oracle Fusion implementations, from design and development to testing and deployment.
- Excellent communication and interpersonal skills with the ability to work closely with stakeholders and project teams.
- Problem-solving mindset with the ability to work independently and manage multiple projects simultaneously.

Hiring organization

Rojgar Group
