Dot Net Core Developer

Description

We are seeking an experienced **Dot Net Core Developer** to join our team in Kolkata. This is a high-priority role that needs to be filled immediately. The ideal candidate will possess strong technical skills, excellent communication abilities, and a passion for delivering high-quality software solutions.

Responsibilities

- Design, develop, and maintain applications using .NET Core, ASP.NET MVC, and related technologies.
- Collaborate with cross-functional teams to gather requirements and deliver effective solutions.
- Write clean, scalable, and efficient code while following best practices.
- Participate in code reviews and contribute to team knowledge sharing.
- Troubleshoot and debug applications to ensure optimal performance.

Skills

- Proficiency in C#, .NET Core, ASP.NET MVC, jQuery, MSSQL, and OOP principles.
- Strong English communication skills, especially for client-facing interactions.
- Ability to work collaboratively in a team-oriented environment.
- Good problem-solving skills and attention to detail.

Job Benefits

- **Competitive Salary**: Salary package ranging from INR 8 to 10 LPA, with flexibility for exceptional candidates.
- **Career Growth**: Opportunities for professional development and career advancement within the organization.
- **Work Environment**: Collaborative and dynamic work environment at a modern office in Ambuja Ecospace, Newtown.
- **Skill Development**: Access to training and resources to enhance technical skills and stay updated with industry trends.
- **Work-Life Balance**: A focus on maintaining a healthy work-life balance, with a supportive team culture.
- **Health Benefits**: Potential health insurance and wellness programs (if offered by the company).
- **Client Interaction**: Opportunities to work on client-facing projects, enhancing communication and interpersonal skills.
- **Networking Opportunities**: Engage with diverse teams and clients, expanding your professional network.
- **Performance Recognition**: Recognition programs for outstanding contributions and achievements.
- **Flexible Work Culture**: While this role is office-based, some companies offer flexibility in work hours or remote work options in the future.
