# UI/UX Developer

**Job Location**
Bangalore, India

**Description**
We are looking for someone who is well versed in UI/UX design and has the ability to design UI as per latest trend and practices.

**Responsibilities**
**Technical Skills:**
- Proven understanding of graphic design fundamentals
- Strong command of colour theory, image composition, and typography
- Excellent time-management skills
- Ability to deliver production-ready digital assets in a wide variety of formats
- Awareness of UI/UX principles
- Familiarity with digital photo editing
- Working knowledge of Microsoft Office (Word, Excel, PowerPoint)
- Comfort working in a deadline-driven environment
- Excellent written and verbal communication skills
- Attention to detail with a high degree of accuracy

**Education and Experience Requirements:**
- Bachelor’s degree in graphic design or a related field
- One to three years of professional design experience
- Portfolio of strong creative work
- Experience with Adobe Creative Cloud (Dreamweaver, Photoshop, InDesign, Illustrator)
- Experience with HTML, JavaScript, and CSS
- Social media and email marketing experience a plus
